

2024-25 CLR VABBenger Hunt!

Being CLR is about **building community** around validating and affirming your students, **supporting collaboration** with your colleagues, and **connecting with our CLR educators** beyond your school or district. Engage with us in the 2024-25 CLR VABBenger Hunt so that you can build, support, and connect. Get ready to have some fun and show off your school's and/or team's CLRness!

What is the VABB Hunt? As a team or individual, complete the tasks below, then post your evidence on Instagram, X or Facebook. You only need complete 7 of the 11 tasks to complete the hunt. Once done, you will be entered in a drawing to win cool CLR swag, but more importantly you will also contribute the CLR community. **In order to participate in the fun to win prizes though, every participant must join our CLR+ Community.** The first team and the first individual (not on a team) to finish wins a **special prize!**

Who is VABB Hunting? You, your CLR cadre, your grade level or department, or your school. In other words, anybody and everybody.

Where do you share? To get the most out of the experience, and contribute to the momentum and energy around CLR, **all VABBenger hunt evidence should be posted on our CLR social media outlets.** Use the tags @/#validateaffirm and @/#VABBengerhunt. If social media is not your thing, you can instead send your evidence to Carrie at carrie@culturallyresponsive.org and still be entered to win prizes. If you want to do it just for fun, without being entered for prizes, you can!

What happens when I complete the VABBenger Hunt? Celebrate! You are not only building your CLRness, you are growing the CLR community and contributing to the movement! You want prizes?? You've got it! **In order to win prizes, all individuals and teams must be registered for our BRAND NEW CLR+ dashboard.** Once registered, you will find additional VABB Hunt info, be able to talk with and cheer each other on, and hear about other upcoming events and happenings!

When does the VABB Hunt begin? The hunt is ongoing. You can start anytime! **NOW is a great time!**

Let the hunt begin! (can be done in any order)

- Create a CLR-themed display board in your school or classroom (Rings of Culture, VABB, Cultural Behaviors)
- Capture a CLR activity in action. Note the cultural behaviors being validated and affirmed
- Enroll 2 colleagues to join the CLR+ Community
- Watch and make a comment/ask a question one of the CLR instructional videos, located on CLR+
- Complete at least two of the CLR Journal responses, found on CLR+!
- Create and share a new call and response attention signal. Note the purpose of the signal at it relates to classroom management or building classroom culture
- Take a selfie with colleague holding or wearing CLR swag.
- Recommend a culturally authentic text or article either for students or for educators
- Interview a student about how CLR has impacted them
- Listen and comment on an episode of Outrageous Love the Podcast
- Recommend a school, colleague or organization for the CLR+ Spotlight
